vames Pantini $446\frac{1}{2}$ Grave St. Peckville, rA 10452 Dear Sirs, recently sent you a letter concerning the problem I have had with the model 700 that I have sent back, to you. At your request. ine problem was that the gun dela, fired twice and fired once when I closed the Bolt. It then would not fire at all and the salety was froze in the Off After opening and closing the Bolt at least two dozen times. The Jun worked normally. Sincerly fours, James Pantini
