Dear Mr. Stekl:

This letter is in answer to your letter to me dated January 29, 1991. I am sorry I have been so long in answering your letter. I have been sick since December, 1990, and have just now returned to work. I would be glad for you to repair the trigger assembly on my rifle and would prefer the replacement trigger assembly that you described which allows opening the bolt with the safety in the "on safe" position.

I look forward to receiving my rifle as soon as possible.

Very truly yours,

A handwritten signature in cursive script, appearing to read "Wayne Peveto".
