

As I told the man from
Wilmm. Del. on the phone. I bought
the gun at R-Mart in Walnut-
port PA. I tried to shoot it, but
it wouldn't shoot. I took it back
and they replaced the bolt, which
they took from another gun.
B6210700 is the serial number
from the gun. (My Sun No.)

P.S. The Sun is jamming up, I
can't close it anymore. I pulled
trigger it wouldn't fire, when
I oppened bolt up the gun went
off without being on the trigger
