

4-27-88

Remington.

~~5-1-88~~
~~4-27-88~~
~~TARP~~
~~600~~

I heard some models of the
bolt action rifle have faulty triggers
mine went off when loading it.

I have the 700 ADL-30-06

B6453555

where can I get checked?

Thank you
