UN CONDITION:	☐ NEW	☐ SLIGHTLY WORN	☐ VERY WORN	☐ MISUSED	☐ MARRED
---------------	------------------------------	--	------------------------------------	----------------------------------	---------------------------------

Per Phone when scope is moved from safe to fire position gun will discharge.
 Cannot duplicate complaint, however, trigger assembly has been improperly adjusted & it is obvious - 1) excessive rear engagement
 insufficient over-travel 2) trigger pull below our spec. at 2.3 lbs.
 Also, trigger assembly is contaminated with sticky substance, impairing movement of internal parts.

Offer replacement trigger assembly at normal cost, as gesture of good-will.
