Dear Mr. Severance:

Your letter of April 26, 1988 has been forwarded to this office.

First I would like to explain why you heard nothing from us at your first inquiry. I had only your name and telephone number, and tried to call nine times over a period of three days and got no answer. Since I had no address, I could not write. I am sorry for all this Mr. Severance and will be on the look out for your rifle.

Mr. Potter, I am sure, gave you all the necessary information for returning your Model 700 to us, and we will do all we can to expedite the matter.

Sincerely,

A handwritten signature in dark ink, appearing to read "R.L. St. John". The signature is written in a cursive, flowing style with some loops and flourishes.
