

JIM,

THIS WEAPON FIRES AT
ANY TIME. DURING ANTELOPE
SEASON, IT FIRED ON 4
STRAIGHT GASES. CLOSE THE ROOF
AND IT GOES. NOT MUCH TROUBLE
DURING BIG GAME SEASON.
I TRIED COCKING IT AND THEN
RAPPING THE ACTION AND THEN
IT WOULD NOT FIRE, BUT WHEN
I MOVED THE BOLT TO COCK
IT AGAIN, IT FIRED. THIS WAS
DONE WHILE EMPTY, SO AMMUNITION
IS NOT THE CAUSE.

VIC
