RE: YOUR CLIENT: TOMMY SMITH

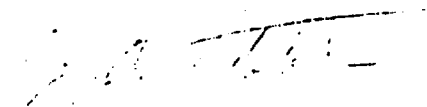

Dear Mr. Hudson:

Reference is made to our telephone conversation of May 22, 1986, regarding our return of the Model 700 ADL 243 Win. caliber rifle, Serial #A6897821, belonging to your client, Tommy Smith.

To reiterate, our examination disclosed the trigger assembly has been improperly and dangerously re-adjusted outside our factory and, in it's present condition, is extremely dangerous and unfit for use.

However, per your request, we are returning the rifle to you in the above condition as soon as photographs have been taken.

Sincerely,

J. A. Stekl, Supervisor
