

I Like This Rifle and I  
have had it for years but  
I am not going to hunt with  
it again. I have had many  
other Remington guns and  
no trouble with them like  
this. (4-870, 2-Spartan 58,  
2-1100 have them new; etc.

Thanks you but I think I  
will have to get rid of  
this rifle. Thank you
