Dear Mr. Stanfill:

Several unsuccessfull attempts have been made to contact you by telephone regarding the return of your Model 700 BDL 30/06 caliber rifle, serial number A6271784.

As agreed, a new trigger assembly is being installed at no-charge and we expect to ship the rifle, via U.P.S., on April 11, 1980.

We wish to thank you for your cooperation in this matter.

Sincerely,

J.A. Stekl, Supervisor  
Firearms Product Service
