Repair Order R-3525-700

Dear Sir:

We recently received your letter of April 10th, in regards to the above subject Model 700.

Under the circumstances, due to the condition of the gun, we do feel that it has seen some use.

Therefore, we do feel our charge for the new bolt is justified.

There was no charge for the other items listed.

If we can be of further help, please let us know.

Cordially,

F. D. Cole:cm
