Customer Service
Remington Arms Co. Inc
939 Barnum Ave - POB 1939
Bridgeport, Conn. 06601 - 1939

We have a customer, who has a model:
700 Remington, 22/250 - Serial # 6422056,
which when you close the bolt, and take
safety off - the gun fires, without touching
trigger.

Please advise if we can return this to factory
to be corrected.

Enclosed is a current copy of our Fed.
Firearm license, good for three years. Please
put this in your files. (24 11-87)

Please let us hear what to do with
this rifle at once.

Thank You,
