Mr. Potter

Customer purchased a med. 700 308 cal. Remington, ser. NO. C6233352 on 12-15-90. Brought back 1-9-91 with stock broken into 2 pieces.

Customer said gun went off and shot a hole in a man's truck. Then the same gun went off a second time and started customer's husband, causing him to drop gun and breaking it in half.

I gave customer another rifle in place of broken one

called Dean Burns who told me to call Linda Prall. Mr. Prall told me to send to Roger Potter.
