Dear Fred,

I was informed to forward our UPS bill to you for the returning of a gun (Rem. 700, 7mm, S.N. 56202055) to have a trigger exchanged due to a fault of Remington manufacturing process. We received the gun back already, but I was just delayed in sending you the bill which you said would be reimbursed to us, \$8.76, see attached.

Send reimbursement to:

WALSH GUN & TACKLE
5020 N. CASEVILLE RD.
CASEVILLE, MI 48725

Sincerely,

P. Mike Walst
