

IT ALSO FIRED WHEN MY SON (ROGER WEIR)
WAS IN THE PROCESS OF UNLOADING THE
GUN; IT FIRED WHEN HE PUSHED THE
SAFETY OFF AND SHOT A HOLE IN A
FRIEND CAR WINDOW.

THE FORMER OWNER (J. R. MICE) CLAIMS
IT WHEN OFF WHEN HE ATTEMPTED
TO UNLOAD THE GUN ONE TIME WHEN
HE PUSHED OFF THE SAFETY.

THIS DOES NOT HAPPEN EACH TIME
I HAVE TRIED TO MAKE THE GUN
FIRE BY PUSHING OFF THE SAFETY.
NEVER COULD GET IT TO FIRE
BY PUSHING OFF THE SAFETY AT ANY
TIME.

EACH PERSON THAT IT HAS FIRED WITH
CLAIM THEIR FINGER OR HAND WAS NOT
ON OR NEAR THE TRIGGER.
THE GUN WAS BOUGHT FOR MY
FAMILY TO USE FOR HUNTING SINCE
I ALREADY OWN ONE JUST LIKE IT,
ALL ARE AFRAID TO USE IT BECAUSE
OF THIS.
