Dear Mr. Woodson:

This is in reply to your October 22, 1985 letter regarding your Model 700 ADL in 7mm Rem. Mag. caliber which you claim fires upon bolt opening.

Since we are most interested in determining the cause of the alleged accidental firings, we ask that you immediately package the rifle and send it via United Parcel Service, Transportation C.O.D., to:

Remington Arms Company, Inc.  
Attn: R.H. Potter  
Product Service  
Ilion, NY 13357

Before shipping the rifle, please boldly mark "Attention R. Potter" on both butt ends of the outside of the gun package. Also, please keep a record of the rifle's serial number and, if possible, advise me of that number for gun flagging purposes. Kindly allow 10 - 14 days for the rifle to reach this department's receiving area in this busiest of service seasons.

Thank you for calling this matter to our attention, Mr. Woodson, and for giving us this opportunity to be of service to you.

Sincerely,

R.H. Potter, Supervisor  
Product Service
