

Waldo Adkins
124 Lynn St.
Chester, W.V. 26034

Dear Sirs;

While putting a shell in the chamber of this gun
(Remington 270 Rifle) the gun discharged on it's own. I
took this gun to a Gun-Smith and now it will only fire half of
the time. This gun has a recall on the trigger. Please fix
and return this gun to me assoon as possible.

Thank=you,

Waldo Adkins
