Remington Arms Co.

Sirs; We are a Remington Warranty repair station. The enclosed 700 BDL #E6446681 Was sent to us for repair of a safety problem. (see attached letter)

However, our gunsmiths can find nothing wrong with this gun. It seems to work perfect.

Because there is a possibility ?? that an accident occurred with this gun?? and the owner may be attempting to get us to say something detrimental, we are returning gun directly to you for handling. We have done no work to the gun and we have not contacted the owner.

Please examine gun -- treating it like there may be a legal dispute -- and return to us or gun owner when complete.

Thank you, Ahlmans (Larry)
