Remington Arms Service
14 Hoefler Ave.
Gilon, NY 13357

Warranty -

Enclosed is one nasty Remington 700 ML
383459-00. Our customer demanded a refund
because two different times it fired when
Safety was taken off. We want a new
muzzle loader & it would have been nice
if as everyone we talked to about this
since the first of the month, got it done
& back to us. Now I see us with this
long term before next season.
