Dear Sir enclosed is a Remington 700 ADL  
270 cal. SN A6212822 on two occasions this  
hunting season our customer reports the  
gun discharged upon taking the safety off.  
We sent this gun in a couple years for the  
same problem. We can't duplicate the  
problem and customer would like you to  
check it again. Please advise.

Yours truly,

*G.R. Mulholland*
