		Obsolete:	<input type="checkbox"/>		
Custody:		Comments:	Older vintage M/700 - Could not duplicate FOBC concern. As received the stock was broken, the front screw out of the trigger guard. Broken stock may have been the result of poor packing when the rifle was shipped to Remington. Clean action and install new TA. Quote \$20 under the bolt lock modification program. Quote replacement stock at 1/2 MSP as gesture of goodwill. Repair and shipping documents 2/17/04.
