

ATTENTION JACK CAST

I AM SENDING MY REMINGTON MODEL 700. S/N 242504 30-06 IN BECAUSE IT WENT OFF (FIRED) WHILE TAKING THE SAFETY OFF. I TALKED TO YOU ON THE PHONE A FEW MONTHS BACK AND YOU TOLD ME TO SEND IT TO YOU AND IT WOULD BE CHECKED OUT AND ADJUSTED OR CORRECTED IF NECESSARY.

I GIVE THE GUN AS A GIFT FROM MY DAD WHO BOUGHT THE GUN USED. IT HAD SAT FOR ABOUT 15 YEARS IN A CLOSET. WHEN I WENT HUNTING WITH IT LAST YEAR AND WENT TO UNLOAD IT, THE GUN FIRED AS SOON AS I TURNED THE SAFETY OFF. MY HANDS WERE NO WHERE NEAR THE TRIGGER NOR ANY OBJECTS. MY FATHER TOLD ME THAT WHEN HE SHOT THE GUN HE THOUGHT IT HAD A HAIR TRIGGER.

I WOULD GREATLY APPRECIATE IT IF YOU WOULD CORRECT ANY PROBLEMS FOUND DURING YOUR INSPECTION PROCESS AND RETURN IT TO ME WITH A WRITTEN DESCRIPTION OF ANY ADJUSTMENTS OR DEFECTS FOUND AND CORRECTED.

MY RETURN ADDRESS IS KELLY S JONES

SINCERELY, KELLY S JONES
