Sir:

Enclosed please find one Remington 700 BDL,
cal. 30-06, SN. A 6786035. My F.F.L. and N.Y.S. S
tax certificate are on file.

My customer relates the following problem: when the
Safety is moved to the firing position, the firing pin occasio
ally moves forward to a possibly unsafe firing
position.

Could you please check and repair as you
see fit.

Upon receipt of your bill I will
forward payment immediately.

Enclosed also please find my (copy) of my Nassau
County Gunsmith License - based on this copy please
also send me part # 26585, safety assembly for a
Remington 700 ADL, 30-06 that I have in stock that
has a broken safety. Thank you - Happy Thanksgiving

Sincerely,
Michael A. Kelly
