Hi Fred, we received the following email yesterday. I am turning over to you unless you let me know to respond back to him.

Thanks

I borrowed my brothers gun . Asmy wife pulled the gun out of the truck while on safety the firearm discharged through my passenger door of my 2000 dodge dakota luckily noone was injured it wasn't till several weeks later that i was informed there was a safety defect of some type on model 700 made pre 82 which this gun was.I since have questioned my opion on the superiority of remington rifles thank you for your time Jason Blankenship 5283 Highway H Sullivan Mo 63080
