ILION N.Y. 13357

REMINGTON ARMS CO.

MR. SANITA.

I BOUGHT MY REMINGTON 700 BDL.
270 NEW FROM RAY ODELL, SPORTING GOOD,
CARMEL IL. I HAVE ALWAYS HAD TROUBLE
WITH CARTRIDGE'S STICKING "FIRED,
UNFIRED, FACTORY, AND RELOADS, SINCE
I HAVE OWNED IT. AT FIRST AN OLD
GUN SMITH AT ALBION IL. WHO WOULD
EXTRACTED STUCK CARTRIDGE'S TOLD
ME THE GUN WAS DIRTY. THEN
WHEN I SHOT ENOUGH TO START
RELOADING ANOTHER SMITH TOLD
ME IT WAS MY RELOADS. SO I PUT
UP WITH IT AND STARTED EXTRACTING
THEM MYSELF. ON NOV. 8, 1992 AFTER
CAYOTE HUNTING THIS MORNING I
HAD ANOTHER LIVE ROUND STUCK.
ATTEMPTING TO EXTRACT IT IT
EXPLODED CAUSING EXTREME PERMANENT
DAMAGE TO MY RIGHT HAND.

BEING RIGH HANDED AND A CONSTRUCT
ION ELECTRECIANTHIS IN NOT GOOD.
AFTER 6 MONTH'S OF NO INCOME +
LARGE UN PAIDE DOCTOR BILL'S. I HAVE
RETUREND TO LIGHT DUTY WORK. SO
I THOUGHT I WOULD TRY TO FIX UP MY
OLD RIFLE, THE STOCK WAS SPLET,
SOME PARTS WERE BROKE, SOME WERE
MISSING, BUT I RELLY LIKE THE
OLD GUN WITCH I HAD QUITE A
REPUTATION OF BEING A GREAT SHOT.
A GUN SHOP OWNER, AND FRIND, TOLD
ME I SHOULD TAKE THE ACTION TO
NELSON'S GUN SHOP AND HAVE IT
CHECKED OUT. ON APR. 10 1993 I
DID AND HE TOLD ME IT FAILED A
HEAD SPACE TEST AND THAT THIS
WAS MY STICKING PROBLEM ALL
ALONG, AND THAT I SHOULD SEND
THE GUN BACK TO REMINGTON FOR
REPAIRE ~ REPLACEMENT. HE GAVE
ME A - TOLE FREE NO. TO CALL AND
THEY GAVE ME YOUR NAME + ADRESS.
SAID TO MAIL THE GUN WITH
THIS LETTER AND MY RELOAD INFO.

WHENTON RUSH A BENCH SHOOTER,
TOUGHT ME TO TAKE GREAT CARE
WITH MY RELOADING FOR ACCURACY
I TRY TO LOAD MATCH LOADS. USING
A LEE LOADER AND RESIZER.
TUMBLER, TRIM, AND MICK EACH BRASS
I USE A "SIERRA BULLETS RELOADING
MANUAL". I WEIGH EACH POWDER CHARGE
WITH A SCALE. I USE SIERRA BULLETS
BECAUSE I HAVE FOUND THEY WAY CLOSER
TO THE SAME. FOR MY 130 GR. DEER
LOADS I USE - 47 GR. IMR 4064 AND
130 GR. SPITZER BOAT TAILS. WITNESSED
HEAT SHOT KILLS AT 400 YD+. FOR MY
VARMINT LOADS I USE - 52 GR IMR
4064 AND 90 GR SIERRA HOLLOW POINTS.
WITNESSED 377 YD. RUNNING COYOTE HIT 2
OUT OF 3 340 YD GROUND. NOG. 300 +
CROW. THE 130 GR. SHOOT A 3 SHOT
GROUP A 300 YD YOU CAN COVER
WITH A QUARTER. I THINK
THIS REMINGTON RIFLE IS
THE BEST GUN ON THE MARKET
AND TRULEY LOVE NINE.

IF YOU WOULD BE SO KIND
TO FIX OR REPLACE MY RIFEL.
IT WOULD BE GREATLY APPRECIATED.
BECAUSE I DO NOT HAVE THE MONEY
TO BUY ANOTHER ONE LIKE IT
THANK YOU

YOURS TRULY

Wanny Deaton.
