Sirs.

Please find enclosed a Remington mod 700 BDL #E6510910. We sold this weapon to a customer a couple of months ago and he returned it. He complained the weapon "snaps on shells sometimes, will fire when you eject a live cartridge, and sometimes fires when you bolt a live round in."

Please look at it for us. As always we thank you for your help.

Happy holidays

Terry Hassler  
Dave's Pawn Shop
