MEMO --- LETTER

To Remington Repair Dept

Date 1/3/01

Subject Model 600 - 222

S/N 6415588

Customer has brought this rifle in for repair
complaining that it has fired when the
safety was released. We believe it is a
model that was recalled by Remington
several years ago because of that problem.
Please repair and return to us

Chris Park-Wild

Repair per recall procedure
