Dennis,

Please find accompanying this letter a copy of the bill for damage to my truck being repaired, said damage resulting from Rifle discharge as per my letter dated Jan 6, 1995.

I have discussed your offer to pay \$209.⁵⁰ or one-half of the repair charges to my truck and supply us with a new Mod 7 Youth .243 Rifle with my son and we will be supportive of this action.

Thank you for your attention to this matter. Your standing behind your product strengthens my support of Remington Products both as a sportsman and a Law-Enforcement Instructor.

Respectfully,
Steven D. Duncan
