Dear Mr Stahl;

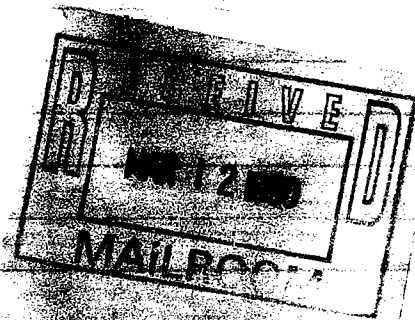

I recieved your letter today and I wish to thank you for your rapid reply.

First I'd like to say that I take pride in my guns. I have several. Had I known the trigger assembly could be removed and cleaned I sure would have done so.

Secondly, yes sir I would very much like for you to replace the Trigger assembly. Also if there are parts to replace or the safety assembly can be replaced please do so. As I am very concerned about the safety of this gun. I'm sure you can understand my position.

I am enclosing the ten dollars for the handling charge and will gladly pay for return postage when the amount is shown.

Thank you
