

THE TRIGGER, ON SOMETHING, I LOVE YOUR RIFLES,
NOTHING SHOTS BETTER OUT OF THE BOX, I HAVE
SEVERAL, I HAVE SHOT WOODCHUCKS AS FAR AS YOU
COULD SEE, BEING A RECREATION MOUNTAIN AT GARDEN
MOUNTAIN, I REALLY PUSH YOUR FIREARM, BUT NOTHING
THIS PROBLEM, IS A SERIOUS PROBLEM, SATTY WISE, AND
WE DON'T NEED A PROBLEM LIKE THIS. AFTER YOUR
GUN SMITH HAD WORKED ON IT. PLEASE LETS GET
THIS TAKEN CARE OF. THANK YOU FOR YOUR
CONSIDERATION.

YOURS TRULY
Dave ENemo

PS. I HOPE THIS COULD GET FIXED PROPERLY, BECAUSE
IF YOUR WALKING WITH THIS RIFLE AND GOD FORBID IT
GO'S OFF WITH THE SATTY ON. I DONT NEED THE
WORRY, I ALMOST AFRAID TO CHAMBER A ROUND.
IF YOU CANT FIX THIS FIREARM, I WOULD LIKE
THE RIFLE REPLACED. FOR THE PROBLEMS THAT ME AND
MY DAD ARE HAVING, I WOULD FEEL MUCH SAFER.

THANKS
