TO WHOM IT MAY CONCERN

I PURCHASED THIS RIFLE 2ND HAND,
- REMINGTON 270 - SERIAL # A6839523 WITH LEUPOLD
SCOPE BASE, COULDN'T GET IT OFF.

IT SAT IN THE CLOSET FOR ALMOST
A YEAR BEFORE I TOOK THE TIME TO
SHOOT IT, BEFORE LAST SEASON'S
HUNT OPENED, USING AMMO THAT CAME WITH IT.

THE FIRST SHOT DID NOT FIRE. I
WAITED, EJECTED, & CHAMBERED ANOTHER
ROUND, THIS ONE FAILED TO FIRE, FOR
ABOUT 4 TO 5 SECONDS, THEN WENT OFF.

IT RIPPED MY THUMB OPEN AS I WAS
DROPPING THE AIM, THINKING POSSIBLY A
BAD FIRING PIN, LOWERING THE WEAPON.
IT SPRAYED ME WITH BACKFIRE ALSO.
THE END OF THE BOLT WAS DAMAGED WHILE
TRYING TO REMOVE THE SPENT CARTRIDGE.
THE AMMO WILL BE SENT TO YOUR REP. / INSPECTOR.
I HOPE TO USE IT THIS SEASON, AND WANT TO GET
IT FIXED.
