Re: Model 700 30-06
S/N 6692948

Dear Fred:

Problem:

HAMMER FELL AND DISCHARGED A LIVE
ROUND (TWICE) BY ME SIMPLY MOVING THE
SAFETY FROM "SAFE" TO "FIRE". We removed
the bolt, sprayed it and the safety area with
Emory's "Wonder Mist."

Please advise solution to problem and assurance
mechanical problem is corrected. THANK YOU,
LARRY FREDERICK
