Dear Fred:

Re: Model 700 30-06
S/N 6692948

PROBLEM:

HAMMER FELL AND DISCHARGED A LIVE
ROUND (TWICE) BY ME SIMPLY MOVING THE
SAFETY FROM "SAFE" TO "FIRE". We removed
the bolt, sprayed it and the safety area with
Amway's "Wonder Mist."

Please advise solution to problem and assurance
that mechanical problem is corrected. THANK YOU,
LARRY FREDERICK

* TRIGGER WAS NOT TOUCHED IN THIS PROCESS - I

INDUSTRIAL HEAT EXCHANGERS • COOLERS, COILS AND RADIATOR MANUFACTURING SINCE 1969

WAS PREPARING TO OPEN THE BOLT TO LEAVE ACTION IN A
SAFER MODE. "Strength Where It Counts"

PS02310
