PRODUCT SERVICE

Again thanks for all your help.
Hope this covers all that you need for
the repairs to the rifle.

Michael read your letter and asked
me to ask you if you could help him get a
good deal on his own deer rifle. His
birthday is in Oct. and I plan to get
him a rifle of his own. Would you
recommend a good Model 270 caliber deer
rifle for me? One of Michael's friend has
a 270 And he wants one also. Your help
in this would be greatly appreciated.

Thank again
Charles Farghan
