CUSTOMER CONCERN: Mailed alleged accidental firing letter (fire on safety release) to Lion on 1/3/91. Got an arms service form letter (FDC) dated 2/16/91 + postmarked 2/19/91 saying to return gun to A.S. He was mad about that.

RESOLUTION: Gun and all letter copies coming to RHP (sent box + for exam + reply. Atty Geiser adamant he doesn't want rifle anymore. 1st incident he thought was his fault. 2nd time on deer hunt he was, allegedly, careful to keep trigger away from trigger. Then, he took gun to a gun shop for repair. 3rd time, allegedly, happened in deer camp.

Told customer we'd examine rifle & report findings to him.
