

To Whom It May Concern;

I, Dominic Gramfagna of 18 Marisa Circle, S.I. N.Y. 10309, am sending my rifle - a 700 BDZ in for servicing. When taking the gun off safety the gun fires. I purchased the gun on 9/26/82. I was told this is a possible recall repair. You can reach me at my home (718) 967-0693 or office (718) 948-7695 if you need. Also, is there a kit available to change the existing load to a clip-type load.

Sincerely,
