RE: Model 700 7mm Rem. Mag. rifle Serial #: C6750210
Our mutual Customer: John Moore

Dear Mr. Latham:

For your information, I have enclosed a copy of the letter that I sent to Mr. Moore concerning his rifle and unfortunate incident.

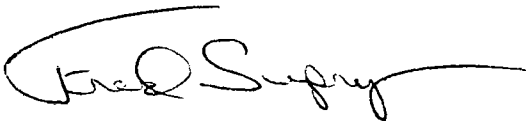

Since this is a bolt action rifle the incident shell should have been recovered. The SAAMI handbook lists the following calibers as "Bad Combinations" with the 7mm Remington Magnum:

7mm Express Remington	303 British
7mm Mauser (7 X57)	308 Winchester
7mm Weatherby Magnum	35 Remington
8mm Mauser	350 Remington Magnum
270 Winchester	375 Winchester
280 Remington	38-55 Winchester

The markings on the bolt face indicate that Mr. Moore unintentionally fired the wrong caliber ammunition in this rifle. Strictly as a gesture of goodwill we have offered to exchange his rifle at no charge. I will store the incident rifle until I hear from Mr. Moore.

Thank you for sending the rifle in for examination. If you have any questions my direct line is 315-895-3606.

Sincerely,

Fred Supry
