Dear Mr. Stekl:

We have checked with our customer regarding his Remington Model 700 BDL, 25-06 caliber, serial number 6851215. He would like you to replace the trigger assembly at no-charge but has agreed to pay the \$10.00 handling plus shipping fee on the rifle.

Please replace trigger assembly and return as soon as possible. Thank you.

Sincerely,

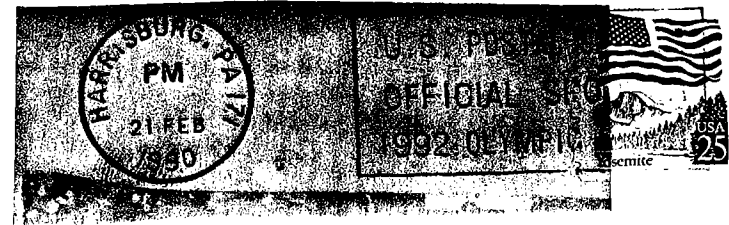

GEISER GUNS INC.
