Ilion, NY 13357

Dear Sirs:

Enclosed please find a customer's Model 700 BDL,  
25/06 cal., serial #6851215.

Our customer has had this gun a number of years and occasionally he noticed that the gun would fire when the safety goes off. He took it to a local gunsmith who put more trigger pull poundage on it and it has not gone off since then, but he still does not feel safe with the gun.

He has ask us to return it to the factory for further examination for any needed repairs or replacements.

Yours truly,

GEISER GUNS INC.

A handwritten signature in cursive script, appearing to read "P. C. Geiser".
