SIRS -

A CUSTOMER BROUGHT THIS RIFLE IN
RECENTLY AND SAID HE HAD A PROBLEM.
THE GUN REPORTEDLY HAD AN UNINTENTIONAL
DISCHARGE WITH THE SAFETY ON AND NO
PRESSING OF THE TRIGGER. THE STORY WENT
ON ABOUT A RIDE DOWN A BUMPY ROAD
AND WHEN EXITING THE VEHICLE THE
RIFLE DISCHARGED. PRELIMINARY INSPECTION
ON MY PART SHOWS NO MALFUNCTION
AND THE TRIGGER PULL MEASURES OVER
4 LB. I HAVE NOT DISASSEMBLED THE
WEAPON AS I WISH TO PREVENT ANY
FUTURE LIABILITY REGARDING THIS RIFLE
AND ITS COLORFUL OWNER! I EXPECT IT
TO CHECK A - OK - THANKS

Sincerely

Mark Highsmith

P.S. Please submit paperwork concluding your
findings -
