Please describe your problem: Fires OCCASIONALLY when you put the safety on to shoot. Refer to Question Reference #021118-000163 And #030410-000111 on E-mail Correspondences. This Rifle has been sent to a Remington Repair shop in Spicer, MN and no trouble found. This Rifle is still under warranty. Will enclose sale Receipt And E-mails to Remington. I would like an E-mail as to what Additional Information: (Ammo type, brand, handload specifications, etc.) will be done and how long it will take.		
Thank you		
Karen Hein
