METAL			C2			

MAIN FAULT

My 11-66 Updale to duplicate customer concern at recd. Both
adjustment and powder pull screws have been adjusted outside
of factory. We do not recommend that the trigger be adjusted
outside of the factory. Exchange trigger Assy. at a special
price strictly as a gesture of good will.

PARTS

COMMENTS

Trigger pull measured 3 3/4 to
4 3/4 lbs. Was recd. near left was .000
