Please be advised that I am the 2nd owner
of model 700LH #6858879 30-06 Remington
rifle. I had an accidental discharge as
described on "60 minutes" 3/20/94 this
December⁹³, luckily the only casualty was a
hot water tank in my garage?

I would like to know the age of this
rifle. Also any service, parts, recalls, to
take care of this problem as soon as
possible

Sincerely
Charles Kafer
