Sir: _____

One month has passed since I wrote to you about a dangerous event that occurred while hunting with my 700 BDL. I have attached a copy of the letter that I sent last month. I am disappointed that I have not received a response from you. I am an active hunter and I would be using that rifle now if it was functional and safe. I am anxious to have this matter resolved. I hope to hear from you very soon.

Sincerely yours,

Dennis J. Kalota
