Dear Mr. Kimmeth:

Your recent letter that was addressed to our Wilmington, DE facility, regarding the difficulty you experienced while using your Model 700 30-06 BDL rifle, Serial Number 6366508, has been forwarded to this office for handling.

We were indeed sorry to learn of your having a problem of any kind with one of our products.

Generally, the type of problem you described results from either improper adjustment of the trigger assembly outside our factory, from improper maintenance of the rifle, or from inadvertent contact with the trigger when the safety was in the fire position.

We would be most interested in examining the rifle to try to determine the cause of the problem. We would appreciate your cooperation in sending the firearm via UPS to:

Remington Arms Co., Inc.
