Dear Mr. Stekl:

Thank you for your response of February 19th and I apologize for not getting back to you earlier.

After reviewing your letter, it is our desire to have you follow through with your offer of replacing the trigger assembly at no-charge, thereafter returning the rifle to me. I would hope that this will restore confidence in this particular firearm.

Thank you for your assistance in this matter thus far. I look forward to hearing from you in the near future.

Sincerely,

Kevin J. Kelley
