Call  
EK  
10/90

Remington Arms:

This gun accidentally  
fired when I pushed  
the safety off; also  
about seven inches down  
the barrel is a bulge I  
don't know if it's a  
defect in the Barrel.

Call only  
The top action components including  
chucked from being covered with a  
brown sticky substance.

Donald Locke
