Ref. Model 700 Serial No. A6488000

Dear Mr. Sanita:

Following my letter of June 21, 1994 and our subsequent telephone conversation, the box for my rifle arrived late last week. As I told you in our conversation, I am most appreciative of the company's willingness to check over my Model 700, and I look forward to hearing what corrective action has been taken.

If you need further information or would like to talk with me regarding your analysis, I may be contacted at the above telephone number.

Sincerely,

Ralph H. Lightner, Jr.
