

I am sending you
the rifle that accidentally
went off in my browser and
also while my boy was loading
it in his truck, there were
two witnesses to the incident
concerning the truck one
was Roger Smith and a
Texas game officer by the
name of Bradley Smith.

I would greatly appreciate
something being done about this
~~incident~~ incident, I also
have several Remington
Rifle and Shot guns

Thank You
James E. L. Blane
