Dear Sir/Madam:

I have recently acquired a Remington 3200, serial number 8567, and would like any information on this particular gun. Also, I would like to know if the gun was subject to any Remington recalls. *OU. 8567 EARLY?*

This gun is highly engraved and I would be interested to know if it is factory engraving. *L FISSATEA BELGUM*

If you need any additional information or if you charge for this service, you may contact me at (404)640-7239.

Sincerely,

Phillip K. Lee
